

Allen Topper Traveller Pack

Topper Traveller Pack – Maximum Tension with Zero Stretch

Upgrade your Topper with the Allen Topper Traveller Pack, designed to keep your traveller line tight and secure with zero stretch. Not only does this pack enhance performance, but it also adds a touch of style to your boat.

Key Features:

High Load Thimble: Engineered for effortless tensioning, this thimble makes it easy to pull the traveller line tight while adding a splash of colour to your boat's rigging.

20mm Dynamic Swivel Block: The pack includes a 20mm dynamic swivel block to replace the block on your toe straps, giving you greater control and ease when tightening the traveller line.

Pre-Spliced and Pre-Stretched Line: The line comes pre-spliced and pre-stretched, ensuring it stays exactly where you set it, giving you consistent performance on the water.

Class Legal: Fully compliant with class rules, making this pack perfect for competitive sailing.
